

# THE BOOK OF REVELATION

## Seals 1-6 as revealed in Revelation 6 (Part 2)

### Review:

#### Seal #1 Peaceful Beginning Revelation 6:1-2

Jesus \_\_\_\_\_ that a human being is \_\_\_\_\_ to wield the political power necessary to take control of the world \_\_\_\_\_ violence. He will most likely be elected to office by those with whom he has alliance, and who plan to rule alongside of him. This person is very likely The Antichrist.

#### Seal #2 Hostile Takeover Revelation 6:3-4

Jesus reveals that nearly half way through The Tribulation (a little less than 3.5 years into this new worldwide government), that He **allows** The Antichrist to take \_\_\_\_\_ control of this world wide government. In doing so, he uses weaponry and violence to seize political, economic, and military control over the entire world.

#### Seal # 3 Extreme Famine Revelation 6:5-6

Jesus allows, as a \_\_\_\_\_ of this coup; famine, disease, starvation, and economic recession to follow as natural consequences. By allowing The Antichrist his full reign, God shows the world what \_\_\_\_\_ has to offer: war, starvation, poverty, and death.

#### Seal #4 Massive Death Revelation 6:7-8

Jesus further reveals that these worldwide issues (war, famine, and economic collapse) bring the worldwide death toll to a full \_\_\_\_\_% of the world's population. Specifically, these deaths are the \_\_\_\_\_ result of war, famine, disease, and animal attack; and the \_\_\_\_\_ result of Satan having his way with world government led by The Antichrist.

**Seal #5      Martyrdom                      Revelation 6:9-11**

**Jesus reveals that:**

1. During the first 3.5 years of The Tribulation, \_\_\_\_\_ unsaved people became saved after The Rapture, stood strong in their faith and testimony, and were martyred because of it.
2. \_\_\_\_\_ will be saved and martyred during the second half as well.
3. This group of unique believers is kept in a unique place, seemingly for a unique purpose. Revelation 19:14 is one such possibility, as indicated by their \_\_\_\_\_ robes.

**Summary:** Jesus further reveals that many have come to faith and have stood firm in their belief after The Rapture and the start of The Tribulation. Of those new believers, many have been martyred on Earth, and now stand before God in his throne room, \_\_\_\_\_ for justice to be served regarding their deaths.

**Seal #6      Royal Rejection                      Revelation 6:12-17**

**Jesus reveals that:**

1. The time for subtlety is \_\_\_\_\_.
  2. He is \_\_\_\_\_ over nature, space, and all creation.
- Note:
- a. God did all the things listed (earthquake, black sun, red moon, meteor shower, tectonic disturbance) all at \_\_\_\_\_, not in sequence.
  - b. In our timeline, we are beyond the \_\_\_\_\_ year mark, perhaps just a couple of \_\_\_\_\_ from the very end.
3. Both the powerful, the rich, and everyone else \_\_\_\_\_ that God is speaking.
  4. Even in the face of disaster and destruction, \_\_\_\_\_ will reject Jesus.

**Seal #7** The Seventh Seal reveals the Seven Trumpets which \_\_\_\_\_ God's status and \_\_\_\_\_ that He is coming to finish his work of salvation.

## **Application:**

a. While most of mankind is rejecting God, many receive forgiveness and salvation. It's a lot worse during the Tribulation than it is now.

b. During the worst time in human history, God seeks the lost and saves all that will put their faith in him.

While we live in perhaps the most evil period of human history up till now – it is our job to seek after the lost so that they can put their faith in Jesus as well.
