

**MAY 2015**

**“OUR MONTH OF COMMANDING THE COVENANT OF SUPERNATURAL FRUITFULNESS”**

*Dear Family, Friends, Neighbours & Colleagues*

Thanks be unto God, who demonstrated His faithfulness (Lamentation 3:22-23) through His divine instructions, have directed (Jeremiah 10:23), guarded, taught and led us in the way we should go (Psalm 5:8), as He established His covenant (Psalm 89:34) of divine leading that produces, undeniable supernatural proofs, with enviable results in the Previlers Church Prayer Network and Previlers Church Network family (Romans 8:12-14) world-wide in the month of April 2015. God by His mercy and divine favour has brought us to the month of May, 2015 **“Our Month of Commanding the Covenant of Supernatural Fruitfulness” (John 15:1-10).**

The Bible depicts that creation responds to the spoken word of God, as every created thing, was mandated to bring forth after their kind; **“the earth brought forth vegetation, plants yielding seed after their kind, and trees bearing fruit with seed in them, after their kind; and God saw that it was good”** (Genesis 1:12). So also was the 1<sup>st</sup> man, Adam created in the image and the likeness of God (Genesis 1:26), was charged by God to be “fruitful, multiply and replenish the earth ”(Genesis 1:26-28) with generation of sons and daughters, who were encoded with God’s genetic order, having the same nature, character and charisma of God, were intended to operate like God on earth, having dominion and rulership over all that was created (Psalm 8:4-6, Genesis 2:19), until sin was found in them (Genesis 2:17). Hence, the created man was robbed of His Godlike nature, character and connectivity to his original genetic order that was sourced in God. He embraced the nature of sin (the carnal nature), that leads to death (Romans 6:23), as a result the carnal man was made subjected to conditions and rules that he was unable to meet (Romans 8:6).

But thanks be unto God, who initiated the redemption plan through the seed of the woman (Genesis 3:15), Christ the Lamb of God “who gave Himself for us to redeem us from every lawless deed, and to purify for himself a people for His own possession, zealous for good works” (Titus 2:14), bringing those who believed and received Him back into sonship with God (John 1:12-14), through the redemptive power of his blood (1 Peter 1:17-19) and the in-corrutable seed of His word (1 Peter 1:20-23) were rescued us from the kingdom and domain of darkness under rulership of Satan, were brought into the kingdom of His beloved son (Christ), whom He loved (Colossians 1:13). Hallelujah.

God re-enacted the original mandate of fruitfulness through Christ, by calling the disciples first to be with him (Mark 6:7-8), as true witnesses of the gospel, they were empowered (Luke 10:19) and sent to do greater works (Acts 1:8, John 14:12), liberating men from tradition, culture, religion, oppression, affliction, sicknesses etc and

were commissioned to raise followers for Christ, that were Christ-like in nature and character (Mathew 28:18-20, John 20:21).

Every tree is identified by the fruit it bears, and a cut off branch from the vine is sapped of the required supplies for its fruitfulness and will invariably dry up or die out. Hence it is mandated that every branch remains in the vine, in order to bring forth fruits that reflects the vine. (John 15:1-10)

It is expedient for the Church of our days to know and walk in biblical correctness, according to the invested power of Christ in us, that guarantees our divine access to all of God's Supernatural provision for godly living, fruitfulness and fullness of life; manifesting the aroma of Christ wherever we go (2 Pet 1:3-4, John 10:10b), through our words and deeds (Colossians 3:17).

As the proof of the resurrected Christ is made manifest through the church, in representing the country of our origin in this world, it is paramount that the life of Christ in us, is apparent in the fruits that we bare in every operational platform given to us by God (in the market place, home and church etc) until the kingdom of this world becomes the kingdom of God and of His Christ (Rev 11:15b).

Christ has therefore, reposition the church once again as the mountain of the Lord, that is connected to the kingdom of His origin by continuing in God and in His Word (John 15:4), who were able to bear fruits, such that men from every nation, tribe, professional background etc, can come into God's kingdom. As a result, the church can become an instrument of change, that produces proofs of the divine life of Christ in her, as we embrace kingdom principles, would obtain kingdom result, proceeds and proofs which is evident by the fruits of Supernatural Fruitfulness that we bare (Acts 2:1-8, Isaiah 2:2-3).
