**Worship:** To declare (ascribe to) God's glory through speaking, listening, and my actions. (1 Corinthians 10:31, Romans 12:1)

Application:

1. Realize that just about everything we do in the worship service is worship.  
Singing, Praying, Giving, Greeting and encouraging, preaching, listening, etc.
2. Participate in each element as if you know and embrace what is actually happening.
3. Make the worship service about God first, those around you second, and yourself last.
