

## What does the Bible about “Women”

1. Satan will \_\_\_\_\_ to you and manipulate you, if you \_\_\_\_\_ to him when he speaks.

**Genesis 3:1** “He (Satan) said to the woman ...”

- Satan will attack the \_\_\_\_\_, by attacking the wife and mother
- He attacks with a bunch of \_\_\_\_\_ wrapped around a simple \_\_\_\_\_

**Genesis 33:6** “Good for Food”, “Pleasing to the Eye”, “Desirable for gaining wisdom”

- Satan \_\_\_\_\_ Eve that the possibility of Death was an acceptable risk measured against the possibility of personal pleasure and fulfillment.

**2 Corinthians 11:14** “Satan himself masquerades as an angel of light.”

- Satan tells his lies in ways that make them look wise, prudent, and \_\_\_\_\_
- Satan is actually an angel of darkness. His \_\_\_\_\_ is to maim, disfigure, and destroy.

2. The one temptation unique to women is the temptation to \_\_\_\_\_ their boundaries.

**Genesis 3:16** “Your desire will be for your husband”

(to \_\_\_\_\_ his authority and position \_\_\_\_\_ him)

- Be aware, because Satan will target this area your \_\_\_\_\_ adult life
- Be mindful of \_\_\_\_\_ calling in your life.

3. A woman’s calling in life is to be “a helper suitable” to create “one flesh” (Gen 2:18, Gen 3:24)

- Women are specifically designed/created to \_\_\_\_\_ the design of man.
- Women are the perfect \_\_\_\_\_ to man, creating \_\_\_\_\_.

## What does this God given role look like for women living today?

1. It is living within the boundaries and designations outlined in scripture, and trusting God that this is the \_\_\_\_\_ choice to make in life.

### Ephesians 5:21-24

- a. It is through the church that God accomplishes his work and ministry in the world. It is through the wife that God accomplishes his work and ministry in the \_\_\_\_\_.
- b. It is by faith that the church follows God into the uncertain future. It is by faith that the wife follows her \_\_\_\_\_ into the uncertain future.
- c. Even though God does not error in his leading, **men can**. But this does not negate what God has instructed to be \_\_\_\_\_ BEST plan for the success of the family.

### Titus 2:3-4

- a. When older women no longer have children at home, it's \_\_\_\_\_ party time.
- b. When older women no longer have children at home, they have a \_\_\_\_\_ mission.

## How the roles of men and women come together in God's master plan for the family.

- a. The man is to provide for his wife and children so the woman **does not** have to be concerned with that aspect of life.
- b. The man is to protect his wife and children from physical, mental, and spiritual harm, again, so that his wife **does not** have to worry about these things.
- c. While the wife is being provided for and protected, this \_\_\_\_\_ her to invest her time and energy into creating a home where **children thrive and husbands find rest**.
- d. Neither can fulfill God's will for the family \_\_\_\_\_.  
Neither can be successful in \_\_\_\_\_ role without the other  
Neither one is even \_\_\_\_\_ without the other's existence

## Final Thoughts:

1. If the man is the head of the family, then the woman is the \_\_\_\_\_. Both **depend** on the other and make each other's functions **possible**.
2. A man's job is to provide and protect, a woman's job is to \_\_\_\_\_ and \_\_\_\_\_
3. Seasons may change, but the heart of your mission and your God given ministry to nurture others never goes away. The truth is, it will actually \_\_\_\_\_. (grandkids, younger ladies, other people's children)
