MUSIC BED

You are invited to a mystery.

INSPECTOR VIRLO MORTON LEE

Did you say, "body?"

CHIEF OVERTON

Vic went belly up at the estate of Congresswoman
Camila Masters.

JEB BRYSON

Ah, it sounded like a soft explosion.

ORSON LANG III

I well assure you, Inspector. The killer is someone
waiting in the house behind me.

PERCY ANDREWS

You have that guy over there who seems to know how
to discreetly move some money around.

MR. DONATO

Does Connie Hect seem like the type of gal to you
that always follows strict orders?

CONNIE HECT

I was discreet. But, maybe I did too much.

CAMILA MASTERS

A victor gives no quarter.

PERCY ANDREWS

Then you have the dumb, rich mate who can't wait to
give his dead parent's money away.

PETER ANSWORTH

And cat hair sticks to Ferrari leather like duct
tape.

REVEREND CHASE MCCLLOUD

I am fairly confident none of us here are
murderers.

MUSIC BED

Horn stab!

MISS LISSIE

Whew wee! You sure know how to make a girl sound so
important and official-like, Mr. Brody.

BRODY ROBERTS

I, uh, have microphones.

JAVIER MASTERS

There's two problems...

THE SIZZLE

I'm gonna kill him!

JAVIER MASTERS

...The first being, the murderer is going to have an air-tight alibi.

MUTT HAMMERSON

Yeah, I'm double dog down with that.

GOVERNOR MATTHEW WISE

Well, well, well. What is this manner of disturbance here this fine evening?

JAVIER MASTERS

The second problem, we *must* have a killer in custody before the 11 o'clock news.

IKONYA HOVERDALE

A lot is riding on this. It's either him or her.

JORDAN KELLY

We're going live right now, kids. It's time to make the magic happen. And, counting in 3... 2...

MUSIC BED
