

## Employer's Mandating Vaccinations as a condition for employment?

1. Sidney Powell Post When you hear that EEOC guidance says "your employer can require you to get a vaccine," this is false/ mistaken: EUAs have to have the Option to Refuse and the right to Informed Consent for EUAs. The EEOC's guidance updated on May 28, 2021, only states that "federal EEO laws do not prevent an employer from requiring all employees physically entering the workplace to be vaccinated..."[1] It does not address 21 USCS § 360bbb-3, which relates to EUAs and the option to refuse.

This is called a word game or word salad.

There is Potential Liability on Employers or Universities that Mandate Vaccines if an Employee or Student suffers any Side Effects or Death from a mandatory EUA vaccine.

3. 'Form Exemplars' for you to use or to consult with an attorney. The links to the forms can be found on [DefendingtheRepublic.org/covid](https://defendingtherepublic.org/covid)

Assumption of Liability – in the case of mandatory vaccinations to retain employment or for other work or school related benefits, consider to demand that the employer or school have an authorized representative sign the assumption of liability agreement. A refusal to sign this will make more clear your right to refuse the job to the organization pressuring you.

Liability Assumption Form & Religious exemption – in the case of mandatory vaccinations to retain employment or for other work or school related benefits, if you have a religious basis to be exempt, consider the drafts provided here and if your basis for an exemption differs, draft your own, or have an attorney draft a version using these examples but consistent with your religious reason. Protestant Vaccine Exemption Forms and Catholic Vaccine Exemption Forms are available on [DefendingtheRepublic.org/covid](https://defendingtherepublic.org/covid)

7. Last, Do not quit your job. Another option is to tell your employer you're not refusing it. You're deferring until the clinical trials are over in 2 years & the safety data is analyzed & available so you can exercise "Informed consent". If anything, let them fire you. You can claim wrongful termination as a last case scenario.

## 8. NO!!!! OTHER INFORMATION/AMMUNITION

From Americas Frontline Doctors:

**DO NOT QUIT YOUR JOB**

As the mandates are increasing and the "deadlines" fast approach, YOU SHOULD NOT QUIT YOUR JOB. Do not be fooled if your boss says you must resign. Make your boss fire you and do

not sign anything or agree to anything that says otherwise. Do not agree with “voluntary resignation.” If you are fired, you are eligible for unemployment. Anything else and you are not.

If you are fired, you place the costs back on them and you get or you fight for unemployment benefits. Let them experience the burden associated with their choices. Avail yourself of any government dollars that have gone to support those previously unwilling to work. Use all tools and resources you can including the CDC’s unlawful mandate to halt rents, etc. We suspect you ordinarily would not take advantage of these systems, but these are extraordinary times.

In the last 18 months we have watched the Communists in America radically change the definition of simple words in their efforts to strip away our rights. Words such as “vaccine,” “herd immunity,” and “cases” have literally been redefined by the Communists to support this power grab. By changing the traditional definition of just four words, these usurpers were able to create, in the minds of the media and the public, a frightening global emergency. Do not allow these tyrants to crush what remains of your rights. Do not “agree” to be fired.

We are at the “delta” variant. The last variant is totalitarianism. Stand Strong. You are the Hero you have been waiting for. <https://americasfrontlinedoctors.org/do-not-quit-your-job/>
