

Parables and Stories

Parables and Filters: A Call for Vigilance

Luke 15:11-32

1. What productions (movies, music, etc.) in our culture have an effect upon the way in which people view God or the teachings and stories of the Bible?

2. What biblical productions (movies, music, etc.) do you use, enjoy, or value? How do they effect the way in which you understand God the Scriptures?

3. An Exercise using the Prodigal Son
 - A. What about this production is good and beneficial (if anything)?

 - B. What about this production is problematic and potentially harmful (if anything)?

 - C. Would you choose to make use of this production in your home? Why or why not?
