WHAT CAN CHANGE THE WORLD?

You can change the world for one person at a time

What does the bible say

has the power of life and death?

A doctor can determine a lot when you open your mouth and say "AHH"

You and I can discern what is in someone's heart through what they say

The tongue has the power of life and death

If you answer before listening that is folly

Reckless words pierce like a sword

The tongue has the power of life and death

A gentle answer turns away wrath
The tongue that brings healing is a tree of life
Pleasant words are a honeycomb sweet to the
soul and healing to the bones

Good news gives health to the bones

The mouth of the righteous is a fountain of life

Wisdom is found of the lips of the discerning

Words of encouragement

Putting the world to right

Don't ask what the world needs?

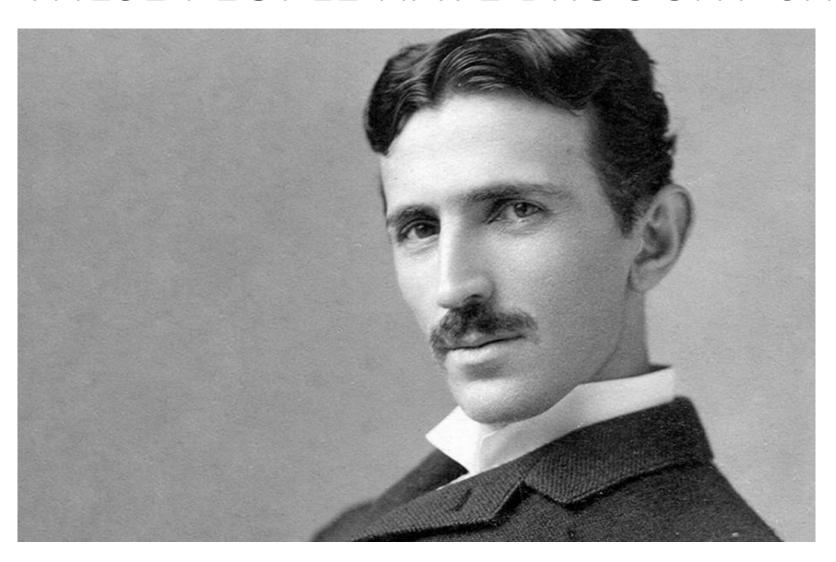

Ask what makes you come alive? Or what are you passionate about?

And go and do it,

Because what the world needs is people who have come alive!

You can change the world one person at a time

THESE PEOPLE HAVE BROUGHT CHANGE

Sharing God's way of changing a community

Learning from people who don't go to church

Early Christians were accused of turning the world upside down

because they were followers of a new way of living

New Way of Thinking

They were active in challenging what went on in society

Their activity was outside not just inside the church

A prayer

May the words of my mouth and the meditation of my heart be pleasing in your sight- Oh lord my rock and my Redeemer
