# FAMILY GUIDE

## Read this...

When a person believes in Jesus and is saved, they receive forgiveness for their sins, but this does not mean that we are perfect. Even after salvation, we continue to struggle with sin. It is important that we are honest about our struggles, and regularly confess our sin. To confess our sins to God means that we agree with God about what is wrong. We are acknowledging that He is in charge and He is the one who determines what is good and what is evil. The Bible tells us that God is always faithful to forgive those who come to Him. He also gives us people in our lives who can help encourage us in our daily battle with sin!

- What does it mean to repent of our sin?
- What does it mean to confess our sin?
- Do you have some sin in your life that you need to confess and repent of?
- What are you doing to protect yourself from sin?
