

Show Notes

Show Summary:

This show is for all those pet sitting and dog walking business owners who feel like they never have time off. Those that are afraid to step away from their business for any amount of time, even a day or a few days because the business will crash and burn without them. You know who you are and I know how you feel, because I was there. I got to the point where I was ready to throw in the towel and quit my business but I didn't and today I'm going to walk you through 6 steps to step out of the field and back into your business and your life.
