

FAMILY GUIDE

WK 10

Read this...

The local church is a group of Jesus followers that regularly meet together in the same place to pray, sing, study God's Word, fellowship, and serve together! Every Christian should be joined to a local church and every Christian should be an active part in the mission of the church! One of the most important functions of the church is provide us with encouragement and accountability as we follow Jesus. We were not meant to go on this journey alone and the local church is the best place to get connected with other believers who can help you be faithful to Christ!

Discussion

Take some time to talk as a family about this week's topic. Spiritual conversations go a long way towards reinforcing what was learned and helping your family begin to live based on the truth.

- What is the church?
- Why is it important that we are part of a local church?
- What are some of the things that we should do together when we meet as the church?
- Are you currently serving in the church in some way?
- What are some ways that you can serve in the church?

1 CORINTHIANS 12:12

For as the body is one, and hath many members, and all the members of that one body, being many, are one body: so also is Christ.
