- A disciple is a person who is determined to follow Jesus, with a desire to learn from him and live according to his example
- Fortunately his SPIRIT reminds us of his teaching and gives us His power to live like him.

You have said “As a non-christian can I pray to Jesus? “ When you pray in the name of JESUS you show that you believe in him and he can answer your prayers.

I consider sometimes you think that being a christian is related to being a westerner because you have been taught that Christianity is a western religion That's what lots of people think but **true** Christianity is not a religion it's a **relationship.**

The people you have met in Solihull Christian Fellowship have a relationship (friendship) with Jesus. Early believers in Jesus said they were part of **the way**. I know **you** have learnt about Jesus and you have become one of His disciples. Being a christian is choosing to follow HIS (Jesus) way.

Jesus has authority to heal you today

He has authority to forgive you and clean you
from all impurity

So I ask you do you want to experience HIS
KINDNESS

Are you determined in your heart ?

Decide to leave your old way of thinking and

Live in the good of God's power

Live in forgiveness

Live in purity

RECEIVE HIS Healing
