Show Summary:

Today on 'Off The Leash' we're talking to Heather DeJesus of Burton's Bookkeeping. We'll get to know Heather and her incredible entrepreneurial journey!

Guest Bio:

Heather opened Burtons Bookkeeping because she was a high school math teacher for 23 years and she wanted more freedom in her schedule after having her youngest son in her 40s. Bookkeeping and taxes have always been part of her life but now it's her main job and she loves working with business owners. She helps small business owners who are spending too many frustrating hours staying compliant to the IRS, paying bills, and have too many uncollected invoices. When they work with Heather, they find the bills are paid on time, the cash is flowing and they run their business like a boss!!!
